

Hey Westminster! Register for AlertOC and Participate in a Countywide Drill!

Register for AlertOC

AlertOC is a mass notification system in Orange County designed to notify residents and business employees of emergencies and certain community events. By registering with AlertOC, time-sensitive voice messages from Westminster or the County may be sent to your home, cell or business phone. Text messages may also be sent to cell phones, email accounts and hearing impaired receiving devices. Register your contact information online at AlertOC.com to receive important messages. You can also register by mail by downloading a registration form found in the FAQ page and follow the return by mail form instructions. Smartphone users may also download iOS and Android apps to manage their account and receive notifications directly on their phones.

Participate in a Countywide Drill

On September 24, 2015 at 10:00 AM more than two million Orange County residents will be sent a test message through AlertOC. The drill will simulate a widespread disaster requiring thousands of numbers to be called simultaneously across Orange County. This notification drill will include 24 participating cities as well as the County's unincorporated areas. Residents and employees of businesses in Westminster can do their part to prepare for emergencies and participate in the drill by registering for AlertOC. After the drill registrants will continue to receive vital alerts for emergencies as they occur. For more information or to register phone numbers or e-mail addresses, visit AlertOC.com.
